

Location – Wat Khao Santi, Khao Takiab

When travelling south from Hua Hin it is best to stay on Phetch Kasem Rd. (Highway 4) and use the flyover next to the Chiva Som. It is possible to go straight into Khao Takiab (look for Soi Takiab 8), but the Soi is very narrow and the railway crossing is dangerous.

After passing the flyover follow Highway 4 for approximately 1.5km and turn left into Soi 91. It is possible to take Soi 89 as well.

On Soi 91 take the second possibility to the left (approximately 300m from the Highway, just before you reach the Sea Breeze Villas) and then take the first road to the right, lined by tall sea-pines, after another 150m. You will reach the monastery gate, which is always open, 100m along the road. Follow the road for another 50m and park your vehicle.

A more detailed map is available on the next page.
